Hood's Dream Acrostic

MY NATAL STAR.

Pride of my heart, fair goddess of night,
Refringent in glory, a dream of delight:
Ever softly reflecting thy bright beams afar,
Sweet emblem of beauty my own natal star.
Index eternal, loved harbinger thou,
Delight of my soul, before thee I bow;
Entrancingly, lovely thou shiniest on high;
Natures own setting the eventide sky.
The charm of fond youth, for it whispers above,
Delights poured out on the altar of love;
Oh! a dazzling gem in its azure blue,
Like the love of my life so faithful and true!
Estatic with bliss Tom Hood woke and said:
"Be jabbers there's nothing like BAILEY'S
WOVE BED!"

When

A man strikes a red pepper in his soup he receives an impression, and impressions are lasting. How can we impress it upon you that it is really your duty to trade with us, that our prices and service are better than elsewhere? Perhaps we can impress you in this way: Money talks, talks cents too. It persuades the stubborn and convinces the skeptic. We know of no such pleader as a LOW PRICE and we have tried to make its voice heard in every nook and corner of our store. It would only tire you if we gave you a list of the many different articles we have just received per "Senta" from England, "Amy Turner" from New York, and the "Rithet" and "Australia" from San Francisco, but we have the goods, and if you call on us you will get an impression or two. First, they are FIRST-CLASS and second, that our prices are LOW.

For that tired feeling—not Hood's Sarsaparilla, but more exercise—a gun, a rifle, or a boat if you take it out of doors, or dumbbells, chest weights, etc., if indoors. Our shot guns range from \$12 to \$65 in price, but we find the \$35 gun gives just about the right amount of exercise for this climate—that is we judge so from the way they sell. After using one of our Winchester Military Rifles till you can get inside an 8-inch bull's eye, 8 out of 10 shots, you will find not only is the tired feeling gone, but you have learned to be cool and careful—things that will serve you well in other ways than rifle shooting.

Have you heard of the story of the Irishman? He bought apples for one cent and sold them for two and said he made one per cent. profit. We do not commit business suicide by trying to make the Irishman's one per cent.

If you prefer boating and yachting to shooting, you will find we have most of the material needed to either build a yacht or boat or keep it in repair when built, and you do not have to buy any more than you need, as we have everything handy to retail as well as wholesale.

BETTER fence wire is now made than ever before and as POOR fence wire is now made as ever has been before. The BEST can be had right here in Honolulu, and—yes—the WORST. We sell the GOOD KIND. Wait for our remarks about barbed wire. We have plenty now, but will soon have a lot of the best in the world and it will pay you to wait for it.
